*Absent with regrets.

Spring Fling Update

Nicole McInnis thanked the Home & School Association and Spring Fling Committee for all their hard work on a successful Spring Fling 2026. She is already looking forward to next year.

Financial Update

Lauren Bowes reported a current bank balance of \$11,816.78 with an additional \$4076.65 in revenue awaiting deposit. Uncleared VISA charges stand at \$1767.01, bringing the total cash flow to \$14,126.42. There will be some fluctuation in the total VISA charges, which will likely not be realized until September or October when HRCE Accounting finalizes tax rebate calculations. A more accurate financial position will be reported at that time.

Garden Update - School Beautification Committee

Leah Noble provided an update on the work done around the flagpole and raised garden beds, which was completed on June 6, 2026. Future projects have been discussed and will be completed with approval from the incoming Principal.

Future Goals

Leah Noble discussed summer goals for the incoming Executive to work toward, which included reviewing the ESM Home & School Bylaw, reviewing HRCE policies that concern Home & School, and brainstorming ideas for the fall.

Adjournment

Leah Noble motioned to adjourn the meeting. Lauren Bowes seconded the motion. All in favor. Meeting adjourned at 7:06 PM.
